

I knew other parts of the government were up for sale but you guy's too? XM and Cirus offer relief from the tedious DJ's of regular radio but for them to be truly effective they must be able to provide weather and traffic updates. Some of us really are tired of local yaps and want to hear music without profanity. Besides don't you have enough problems keeping Janets parts from being exposed? Reject the money and perks offered by traditional radio executives and do your hired duty and keep out of the business of business. reject petition 04-160. My e-mail is RLPATCHKC@AOL and I am a dedicated XM user.
